Dear Lara,

I wanted to send a note along to say "thank you" for such a great job on Hutchinson Group's new look. You do great work, and the positive feedback we're getting from people on our new website and materials is indicative of the creativity that was applied to the project. Dana just sits back and says....."Well, do you think I would recommend anyone other than Lara (Watershed Marketing Group Inc.), she's the best!" The stuff you & your team have created truly is awesomeit truly is amazing, and we are very proud of the new look!!

Thanks again for making us look so good!! ,

Phil Smith
